GOVERNOR MCGREARY ACCEPTS CHAIRMANSHIP

Of Kentucky Board of National Conservation Exposition

Washington, D. C., April 30-Official announcement was made of this county. from this city today that Gover nor Mc Creary has accepted the chairmanship of the Kantucky Minneban is always as welcome in Board of the National Conserva- our city as the sunshine. tion Exposition, to be held in board is as follows; Hon. H. V. McChesney, Frankfort secretary; Hon. B. W. Nager, Owensboro; Hon Johnson H. Camden, Ver-Louisville; Co'. J. C. C. Mayo, days. Louisville; Mrs. Jas. A. Mitchell Bowling Green; Mrs. Mary M. Shackelford, Frankfort.

The exposition, though nation al in scope, will have as its prime | Help the boys in their efforts. object the preservation of the natural resources of the southern states, through improvement in the methods of production and consumption so as to climinate unnecessary waste. The principal lines along which exhibits are to be made are forestry, scientific agriculture, the development and incressed use of waterways for both power and naviga tion, the conservation of mineral wealth and the protection of human life in mines, the preservation of fish and game and human efficiency, including the child welfare, home economics, rural life improvement and good roads. A National Advisory Board at Washington, composed of leading authorities upon all these subjects, and headed by Gifford Pinchot, President of the National Conservation Associatisn, is St. Bernard Mining Company directing the plans for all exhib its dealing with conservation.

The exposition have already been laid out and occupy over 100 acres. Several of the buildings including those to be devoted to forestry, liberal arts and live stock are completed, an agricultural building with an auditorium is nearly completed, and other buildings, including an All Southern States building, are in

The Kentucky board is to represent the exposition in that state and to assist in securing participation in the exposition by the state and by such public and pri vate organizations and individu als as are interested in any form of conservation. Similar boards are being organized in the other southern states. Among other state chairmen are Dr. Edwin A. Alderman, President of the University of Virginia, U. S Senator Ellison D. Smith of South Carolina, Dr. William Bullock Clark State Geologist of Maryland and John H. Wallace, Jr. Commissioner of Game and Fish of Alabama.

### "My New Studebaker"

There's a note of pride in the remark. To own a Studebaker buggy is to own the finest, classiest looking, lightest running vehicle on the road.

Slender, yet sturdy wheels, flexible bent-reach gear of the new Studebaker pattern, well proportioned, graceful lines, upholstery of the kind that makes you want to lean back and enjoy yourself, and the Studebaker double ironed shafts, strong and shapely.

Why wouldn't any man be proud to own a Studebaker?
